# THE MESSENGER

PASTOR'S PEN

## The Pastor's Pen

Congratulations, you have made it to July. 2020 is half over, and we are now on the back side of the most unique year in decades. As we blaze through summer and start to even look forward to fall it is a good time for us all to remember that God is in control, and more specifically, He has placed us here at this moment, for this time.

We often quote scripture to one another, affirming and reminding us that God is in control. Scriptures such as Philippians 4:6-7 can bring us great comfort as we cross life's deserts, but often we forget or become blind to the truth that God has chosen us to be alive in these unique times. *"Even before he made the world, God loved us and chose us in Christ to be holy and without fault in His eyes."* (Ephesians 1:4) We most frequently look to this verse as confirmation that God calls us to Him, and He knows those who will come to Him before they are even born. However, if we look a little deeper at this verse we can decipher that not only does God know who He will call to Him, but precisely when; thus seeing that God has placed us in this world for these days.

This fact should bring us great comfort, and remind us that whatever happens on the back side of this crazy year or in the years to come, God has his hands on your life and is guiding you for this time. Not only should we find comfort in this truth, but we should also find a challenge in this truth. A challenge to face uncertain days with God at our side, and to perform the works that He has ordained for us to do. To run headlong into uncertainty bearing the banner of Christ, and leading the lost to the LORD.

I can't guarantee what our future will bring or hold, but what I can say for certain is that we all have been placed here for this day, and that we have a calling to change the world as image bearers of Christ.

Pastor Josiah
